Education _

Indian Institute of Technology, Bhubaneswar

B. Tech Electronics and Communication Engineering

Sri Chaitanya PU College, Karnataka

Pre-University Exam, PUE Board

GPA: 8.53

Aug. 2023 - present

Percentage: 85.1%

June 2021 - June 2023

Projects .

Semantra 🗘

AI, Data Processing

- Developed an AI-powered conversational help bot capable of resolving user queries accurately from the ISRO Satellite data portal using knowledge graphs, embeddings, and hybrid retrieval.
- Integrated a conversational UI with multi-turn query handling using Google A2A protocol, AG-UI, and PostGIS for location-aware search.

3-Key Keypad 🗘

 $PCB \ Design$

- · Designed and developed a compact 3-key RGB keypad circuit using KiCad, suitable for microcontroller input.
- Designed a 2-layer PCB layout with optimized routing and minimal footprint for efficient fabrication. Simulated and validated the design to ensure signal integrity and debounce handling

Tools: KiCad, Schematic Capture, Circuit Simulation

Grocery Delivery 🕠

Web Development

- Developed a Web2 grocery delivery system connecting college students with local sellers.
- Built student and seller portals with inventory management, delivery slot selection, and personalized recommendations.

Pong Game Oevelopment

- Developed a classic **Pong game** using **Unity** and its **C**# **Scripting**, demonstrating proficiency in game development fundamentals.
- It Focuses on core gameplay loops, collision detection, and user interface elements. Tech Stack: HTML, CSS, JavaScript, PHP, MySQL

Course Projects _____

• Implentation of UART on a Basys-3 FPGA Board 🗘

Digital Electronics

Key Skills _____

- Programming Languages: C, C++, C#, Python, HTML, CSS, JS, Verilog
- Tools: AutoCAD, KiCAD, Matlab, GitHub
- Framework/Libraries:Pandas, Numpy, ReactJS, NodeJS
- Soft Skills: Communication, Team Work, Adaptability, Creativity

Position of Responsibility _____

Associate Member

(Oct 2023 - present)

Oracle, IIT Bhubaneshwar

• Active member contributing to event management and outreach activities

Core Team Member

(October 2023 - December 2024)

E-Summit Fest, IIT Bhubaneswar

• Contributed to planning, organizing, and executing E-Summit events.

Extra-Curricular Activities

- Actively engaged as a member of the Oracle Journalism Club and participated in Robotics Club, contributing to various initiatives.
- Osu! player, currently ranked among top 400k globally.
